

AMPHOREAS

RODITIS-MALAGOUSIA

ARTISANS VIGNERONS DE NAOUSSA

VINEYARDS: Selected Greek vineyards expressing the character of two native white grapes, Roditis and Malagousia.

SOILS: Diverse vineyard sites contribute freshness, salinity and expressive aromatic character.

CLIMATE: Eastern Mediterranean conditions support ripe fruit, vibrant freshness and aromatic precision.

VINIFICATION: This all Greek grapes is a clever pairing of two popular grapes. Roditis offers backbone in freshness and a touch of salinity. Malagousia adds the appealing floral dimension on the insistent pear drops' dry aftertaste.

TASTING PROFILE: Few wines capture the sense of place and character as this honest eastern Mediterranean pithy cocktail.
